All in one DLP laser projector

The comparison between all in one DLP laser projector and traditional projector:

items product	life time	funtions	lightness	power consumption	assemble	maintainance
DLP laser projector	20000 hours	multi- functions	low lightness	low comsumtion	easy, time saving	easy, no need replacement.
traditional projector	2000-4000 hours	single fuctions	high lightness	high comsumtion	complex, time costly	bulb replaced much, money costy

Ultra-short focus and big screen

- ◆ **0.23:1 projected area ratio**
0.6:1 with short focus
- ◆ **30-40cm distance to the wall,**
almost zero close degree
90-100 with short focus
- ◆ **No shadow at all, eye protected**
with shadow with short focus
- ◆ **Screen optimum 80 to 120 inch,**
maximum to 300 inch

3600 lumen and high resolution

- ◆ high brightness: easy view and eye protected
- ◆ resolution 1280*800 or 1920*1200

3600 lumen and high resolution

- ◆ Color contrast: adjusted by professional ISF certified engineers, more natural and lifelike.

DLP laser projector

DLP (Digital Light Processing) used the imported new DMD(Digital Micromirror Device) technology

Eco-friendly

New technology

long lifetime

low power consumption

Stable

Advantages

Colorful

low price

slow attenuation

all in one DLP projector

No shadow, no need curtain to get brightness;
No radiation, no harm to users' health.

built in PC

Built in PC main board, all the computer functions supported in this projector.

PC configurations optional:

CPU: i3/i5/i7

Running storage: 4GB or 8GB

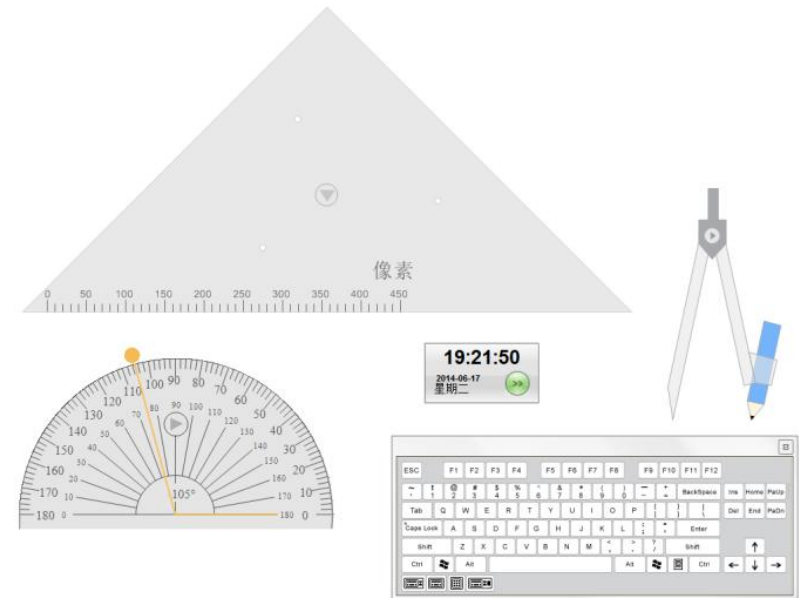

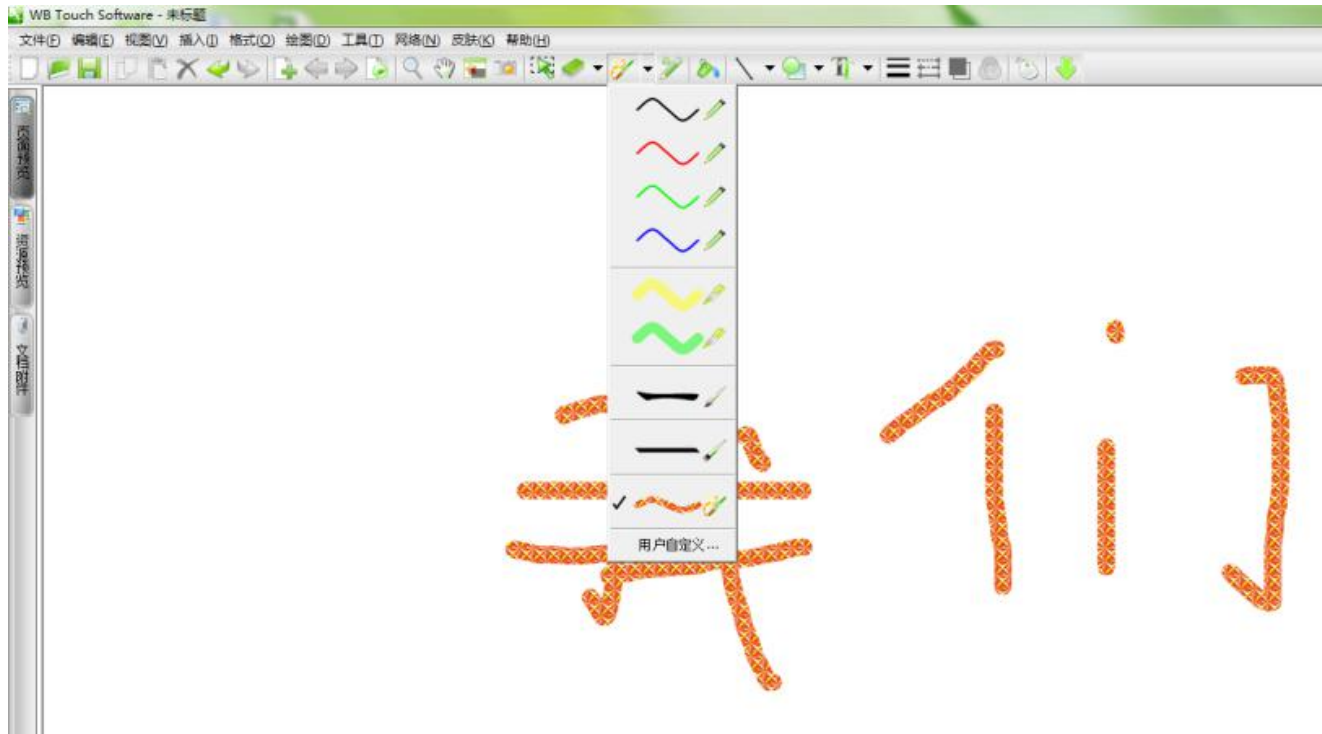

Storage: Hard disk 128GB or 256GB

System: windows7, windows 8, windows 10

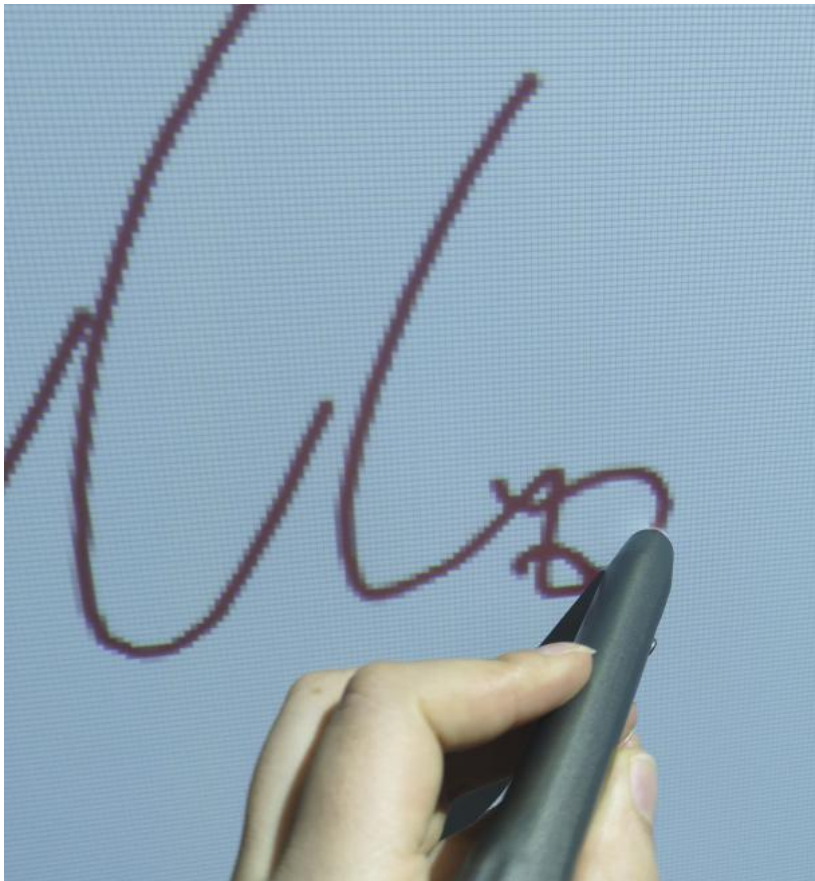

built in PC

Interactive whiteboard software is built in the PC

touchable and writing

Infrared writing pen is configured, which supports the handwriting. It is marvelous used with the interactive whiteboard software.

Infrared pen writing on white board or wall

3D video supported

MOVIES

easy assembling and maintainance

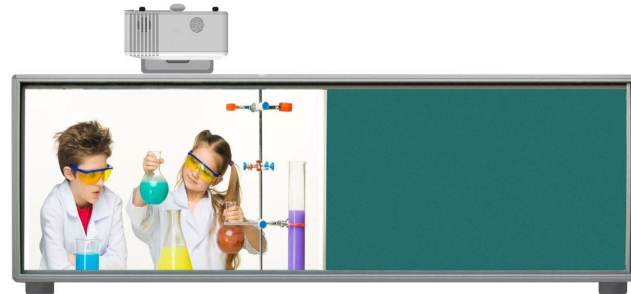

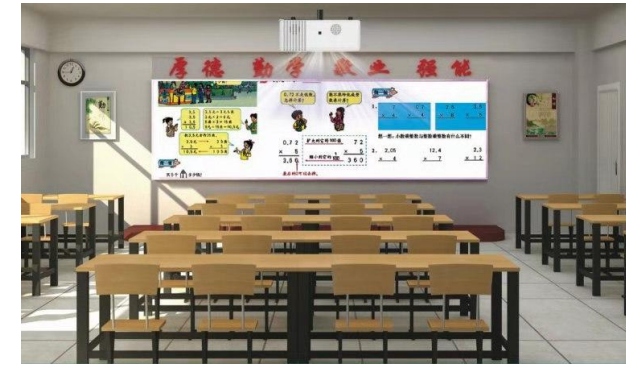

Easy assembling: only one machine
assemling method: desktop or wall-mounted
Front or back projected

Short-focus projector, Android projector are available for your option

Applications of the all in one DLP projector:

our teams

ISO9001 and ISO14001 factory with R&D groups and sales teams over 20 years.

National High Tech Enterprise

Our belief: satisfying clients with high quality products and services.

Culture: Love, open, share and responsibility

Cooperating principle: Respect, polite, communicating and mutual benefit.

A decorative graphic consisting of approximately 15 circles of various sizes and colors (blue, orange, white) scattered around the central text. The circles have a slight shadow, giving them a 3D appearance.
